

CHARLIES TROPHY

DAINTON PARK GC

23rd July 2021

Welcome to the 9th Charlies Trophy Charity Golf Day.
to raise funds for local charities: -

Children's Hospice SW The Meadowside Charity

With donations to The Rubinstein-Taybi Syndrome Support Group & The Friends of Glendinning.

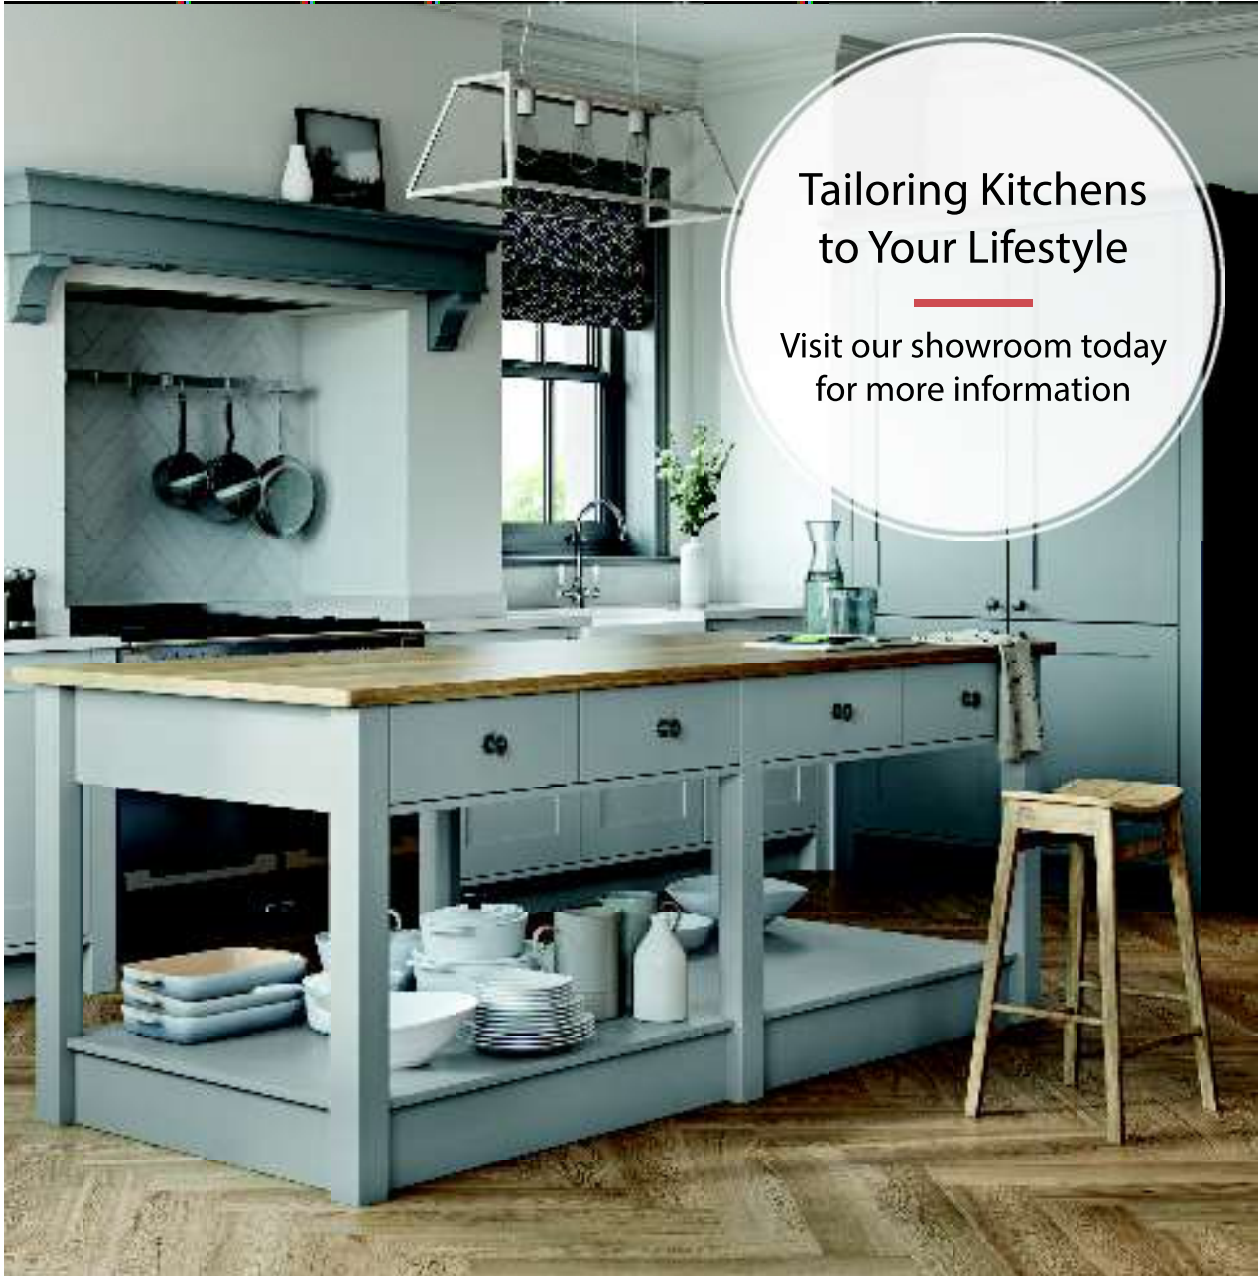

Over the last 8 years, we have raised over £108,000 distributed to 17 charities primarily based in the southwest.

Today's golf day will be our best attended, we hope you will enjoy the golf, hospitality and have some fun, after the last 15 months it is a tonic, we all need.

Martin and his family and friends thank you for your continued support and generosity.

CHILDRENS HOSPICE SOUTHWEST Providing hospice care for children with life-limiting conditions. Respite and short breaks for their families, emergency care & palliative care, given at three wonderful children's hospices; **Little Bridge House** in Devon, **Charlton Farm** in Somerset, and **Little Harbour** in Cornwall.

30 years of creating memories to cherish 2021 is an incredibly special year for Children's Hospice Southwest, as they mark 30 years since they were founded by Eddie and Jill Farwell in 1991. Since then, thousands of families with a seriously ill child have been welcomed through the hospice doors as part of their journey, finding a haven of care, support, and friendship.

MEADOWSIDE HALL PROJECT

Meadowside provides 24-hour permanent residential care for 11 adults with learning disabilities, many of whom also have physical disabilities and complex care requirements. Many residents have lived at the Home for over 30 years and they all live together as a family, in a fun, happy and caring environment.

Without regular grant funding it relies on local fundraising and donations to make improvements and repairs.

FRIENDS OF GLENDINNING & RORY

The Friends of Glendinning raise funds to support the Glendinning Academy in Newton Abbot a school for children aged from 7 to 19 with social interaction and communication needs including those on the Autism Spectrum. RORY a Portugese Water Dog [PWD] has been purchased by The Rotary Club of Newton Abbot. He is being trained to become a therapy assistance dog.

RUBINSTEIN-TAYBI SYNDROME

SUPPORT GROUP a registered charity. This

support group helps families with children and adults who have RTS. Martin's grandson has RTS and is the reason Charlies Trophy came about in 2013. Now aged 10 he is in primary school with his twin sister Evie but will be going to a special needs school next year.

Today's golf day could not have taken place without the generosity of local companies enabling us to offer great hospitality and prize table.

System Six
KITCHENS

Our main sponsor for the ninth-year running is System6 Kitchens of Exeter.

Along with: -

We are offering a fun filled day including the opportunity to experience the skills and humour of a Dean Davis trick shot show after your golf. www.deandavisgolfshow.co.uk

Dean will also be on the 15th Hole in a unique Par 3 challenge. Locally produced pies and homemade cakes along with a beer or two during the day – served with a smile on the 8th hole by volunteers from Citizen Advice Teignbridge.

An opportunity to try out Martins newest creation – the Bullseye Competition on the 8th hole as well as the chance to win a **£10,000 SYSTEM6 KITCHEN & COOT SCOOTZ** electric Moped for a Hole in One.

Sophie & Krystal from Mantracom will as usual be challenging you on the 14th tee to an on-course team competition as well as offering refreshments– before you tackle, the climb up the 14th hole!

Rosie & Lauren will be testing your putting skills with Charlies unique **SNOOTING** competition on the putting green – before, during and after the golf – dependent on your tee time.

Ellie and the System6 Kitchen Team will be offering a Spot the Ball Competition on the Patio.

We will again be giving each player a refillable water bottle, courtesy of System 6 Kitchens. Water bottles can be filled by the tap located next to the Pro Shop and at the halfway house and 14th Tee. By using refillable bottles, we will not be using **200 plastic bottles!**

WHY CHOOSING A RIGHT GOLF BALL COMPRESSION IS SO IMPORTANT?

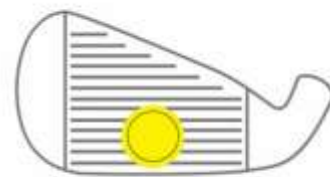

If you choose the ball too hard, it will not compress enough to create a rebound effect and lower accuracy percentage of driver. By contrast, if you choose the ball too soft, it will be a waste of the energy generated from your swing and lose the distance easily. Consistency is what we promise to you.

Too Hard
Deforming not enough

Best Deformation

Too Soft
Deforming too much

THANKYOU!
